All supplies should be in by the first week of School year. Also all books should be paid the first week of School. The sooner they have their books the sooner we can start our School year. During the school year we will be sending home letters, homework packages, field trip forms, etc..., that will be placed in your child's folder. This is a base of communication between teacher and parent. Check your child's folder EVERYDAY...there may be something of importance to you and your child. It's going to be a great year with your child. Welcome to R.C.A

God Bless!
