(4 pm – 7pm)
MDCPS High School Sites

Importance of Grades

– Jairus Graham

Grades encourage students to focus on the product rather than the process. It is the process where the learning occurs. Making good grades is very important because these grades will determine the job you get after school and college. The better your grades are, the better the chance of obtaining a good job you will find.

Graduation is Near

– Jairus Graham

One of the most important days of our life is graduation, a day which marks the commencement of a new phase in your life. it paves the way for your career. even the party after-party is an important event that marks the big day of graduating, it's the start of a new life. I congratulate everyone able to make this accomplishment, whether you be in elementary, middle, or high school. you should be proud of yourselves and we at the newsletter team say kudos!!

FORT LAUDERDALE, Fla. (AP) — Florida Gov. Ron DeSantis announced Friday during a news conference in Jacksonville that summer camps and youth activities can open without restrictions.

COVID – 19 Testing

Miami-Dade County officials continue to work with local, state and federal agencies in monitoring the spread of the COVID-19 virus. For questions about COVID-19 in Florida, please call the Florida Department of Health at 1-866-779-6121 or visit [Florida Department of Health](https://www.floridahealth.gov).

Free testing for COVID-19 is being offered at numerous drive-up or walk-in sites. For medical emergencies, call 911 and notify **the dispatch personnel that you may have COVID-19.** (Taken from miamidade.gov website)

Virtual Field Trips

Looking for ways to keep everyone entertained while on lockdown? Blast through your bucket list with these top virtual field trips the whole family will love.
