Staff Interview

Mrs. Green

What accomplishment in the teaching field are you most proud of?

I have been a teacher for over forty years. I hold a Master's degree in Education. I have had the privilege of teaching in first world as well as third world countries. For five years, I served as an Education Ambassador from Jamaica to Public Schools in the U.S.A. I was awarded Teacher of the Year at RCA 2018-2019.

Is there a quote that defines your perception of life? If so, what is it?

“Make your work your play, and your will never work another day,” is a quote that denies my perception of life. Sense of humor is a life skill that appeals to me. Our students should know that teachers laugh and can be playful while at the same time discipline is instilled.

How does your belief in Christ and being at a Christian school enhance the educational training you provide?

Knowing that I can share my faith with colleagues and students of similar belief and I can incorporate “Jesus” in my teaching. I thank God for placing me at RCA. I am committed to serve while I strive for Excellence. God is great!

Bible Verse of the Week

God [is] a Spirit: and they that
worship him must worship [Him] in
spirit and in truth.
