Quote of the Day

"There comes a time when people get tired of being pushed out of the glittering sunlight of life's July and left standing amid the piercing chill of an alpine November."

- Martin Luther King Jr.

Ms. Ballard

1.) Who was the most influential person in your life?

My P.E. teacher from high school influenced me the most when making my decision to become a teacher.

2.) In what capacity have you worked at RCA?

I am in my 11th year at RCA, I began working here in 2009. I began working with RCA for the 4th grade. I also taught 5th grade for a few years, and did one year with 3rd grade. I am in my second year of teaching Math and Science for the middle school.

3.) What are the skills that you think make students most successful in school?

I believe having the 4 D's will make you successful in school, as well as help you in reaching your goals once you have graduated. The 4 D's are Dedication, Determination, Discipline, and Desire.
