## Red Ribbon Week

Around Campus

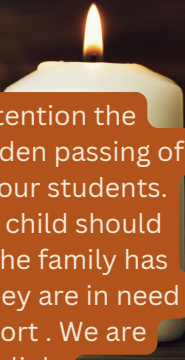

Redland Christian Academy was represented by Bill Calderon at “Light Up Miami to be Drug Free” for the inauguration of Red Ribbon Week. The event took place in the Biltmore Hotel, where many organizations in the community joined the cause to “Light Up” the importance of keeping our children and schools drug free.

RCA was nothing short of outrageous during our Red Ribbon “Spirit Week”

## Blessed to be a Blessing

It came to our attention the unfortunate and sudden passing of a parent for one of our students. This is something a child should never go through. The family has reached out since they are in need of monetary support. We are sharing this link:
